

# A gift should be as valuable as the one who receives it

A high-minded exhibition running from November 26 until December 23, 2017 in the renewed venue of atelier lachaert dhanis.

Entry via the Kaaistraat parking Tielrode

VALUABLES offers a strong string of works by established artists as well as newcomers, inviting our visitors to look closer, to activate their senses and to examine the antinomy of the ordinary and the mundane. The unique objects exhibit the true value of gifts that reflect what we feel for the ones we cherish.

Come and visit VALUABLES every Sunday from 10:30 to 17:30 (without appointment). There will be a welcoming buffet with exquisite finger-food and drinks. Exclusively on Sunday, 17 December at 11:00, Micha Pycke and Ruth Ruyffelaere, editors of the inspiring book "Urban Potters", will be happy to share their passion for ceramics with you.

If you wish to visit the exhibition on other days, you are kindly requested to make an appointment, we will offer a personalised guided tour!
